

Public Consultation Meeting

Date: **Tuesday, September 23, 2021 (04:00 pm to 6:00 pm)**

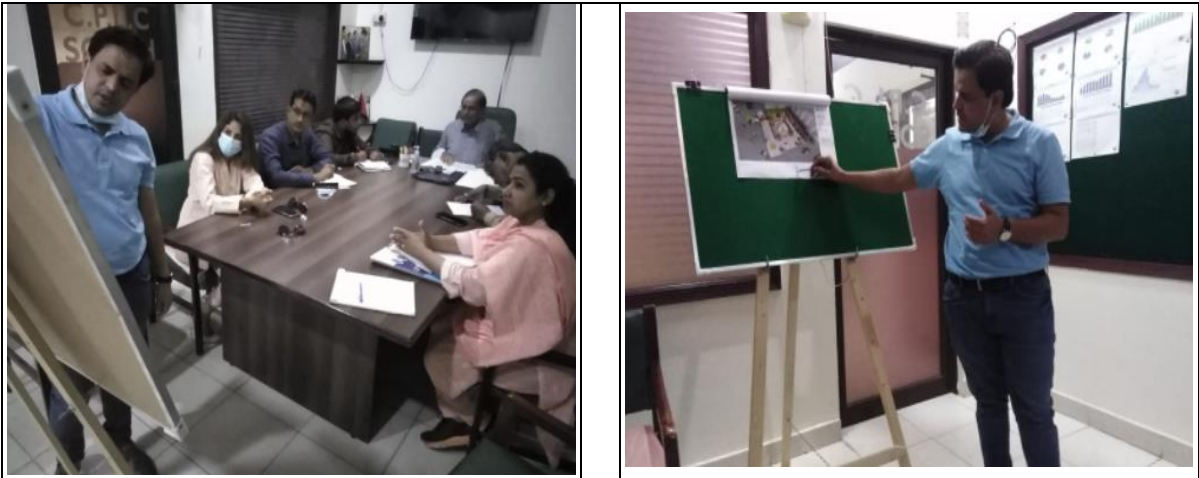

Sub-project: **Redevelopment of Kharadar Locality Sub-Project**

Location: **Committee Room CPLC South**

The consultation meeting with community leaders and social workers who live, represent and work for the betterment communities in Kharadar for the area was conducted at Committee Room Citizen's Police Liaising Committee (CPLC) - South. The basic objective of consultation meeting was to get opinion of the participants on final drawings and designs of proposed interventions under Kharadar Sub-project. The meeting was jointly conducted by PIU and Constants KNIP. The meeting started with welcome words by the PIU Team. Followed by the participants were informed about the purpose of the meeting. The team explained the proposed final design to the participants using coloured hard copies. A summary of the suggestions discussed during discussion is provided in the table below:

| Category | Information / Comments by the Participants | Responses by the Consultants | Design Modification |
|--------------|---|--|---|
| Respondent 1 | <ul style="list-style-type: none"> Suggested to include urban spaces development including; provision of lightening and footpaths at Mulji Street and Bagh-e-Zehra Street Installation of signage for one-way traffic management i.e. <ul style="list-style-type: none"> In towards Kharadar from Mulji Street, and Out from Kharadar from Bagh-e-Zehra Street | <ul style="list-style-type: none"> The urban spaces development works may be included in the proposed after discussion with the technical teams of Consultants. Since the community leaders are already in coordination with the Traffic Police for appointing Traffic Wardens in order to maintain one-way traffic mechanism. Further contractor and consultant will join hands mobilization of dwellers about traffic and installation of one-way signage. | No any design modification would be needed, because the suggested works are manageable within the BOQ items finalized for Kharadar Sub-project. |
| Respondent 2 | <ul style="list-style-type: none"> Before starting works on the proposes monument, the management committee of Bukhari Mosque should be once again consulted, because at the open piece of land the funeral prayer (a part of the Islamic funeral ritual) is performed. | The consultants will meet the the management committee of Bukhari Mosque, with the help of social workers present in the meeting. | No any modification in designs is needed. However re-consultation with the management committee of Bukhari Mosque will make a way either or not to include the monument. |
| Respondent 3 | <ul style="list-style-type: none"> Appreciated the final designs of the Kharadar Sub-project. | No response needed. | No action needed |
| Respondent 4 | <ul style="list-style-type: none"> There is non-designated dumping of solid waste in north-eastern side of Allah Rakha Park. The proper solid waste disposal is not followed. | <ul style="list-style-type: none"> The coordination meeting with the Sindh Solid Waste Management Board-South to be conducted. The coordination between DMC & SSWMB will be enhanced. | Although Park has a separate area and designs do not need any modification. It is matter of only civic sense of local people and proper implementation of solid waste management cycle. |
